SUBJECT: Building 729 Authority to Proceed with Demolition

TO: Alan M. Parker, Vice President  
Closure Projects Integration  
Kaiser-Hill Company, L.L.C.

DOE has received the letter of concurrence from the Colorado Department of Public Health and Environment concurring with the Closeout Radiological Survey and the Non-Radiological Closeout Survey Reports for Building 729. This concurrence along with the closure of all open pre-start findings clears the way for the demolition of Building 729. The Kaiser-Hill Company, L.L.C. is authorized to proceed with this demolition.

If you have any questions or need additional information, please contact me at extension 5878 or David Nickless at extension 5221.
